

Power Plus Mobility Freight charges
Effective Date: March 1st, 2019

All product terms noted beneath apply to business-to-business shipments. Actual freight charges will be charged for residential deliveries. On the off chance that product or parts mentioned to be delivered by means of expedited shipping, the expedited charges will be applied, in lieu of the dealing with handling and freight service fees.

Wheelchairs

All manual non-folding wheelchair orders from Power Plus Mobility Inc. will be charged a \$75 handling and freight service fee for each order placed with Power Plus Mobility, regardless of the method used to place the order. For all manual non-folding wheelchairs in one (PO) Purchase Order number, there will be a discounted rate based on the quantity mentioned below:

Quantity	Handling and Freight
1	\$75
2	\$60
3 - 5	\$50
6 or >	\$40

All manual folding wheelchair orders from Power Plus Mobility Inc. will be charged a \$50 handling and freight service fee for each order placed with Power Plus Mobility, regardless of the method used to place the order.

All Power wheelchair orders from Power Plus Mobility Inc. will be charged a \$80 handling and freight service fee for each order placed with Power Plus Mobility, regardless of the method used to place the order.

Standard Seating Products, Custom Seating Products and Parts

All seating products and parts for Power Plus Mobility will be charged a \$30 shipping and handling fee.

All orders will be shipped using UPS, Canada Post or NationX based on logistics at Power Plus Mobility and availability. For more information regarding shipping times or services, please contact your Power Plus Mobility customer service for more details.
